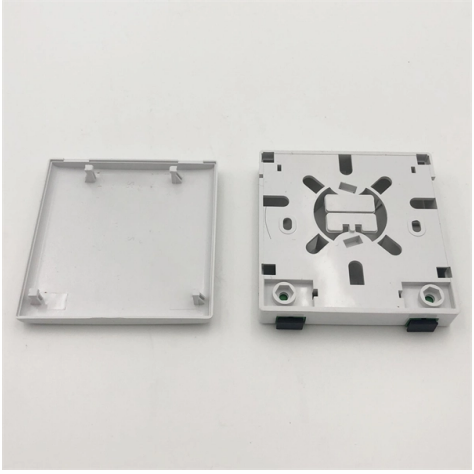
Iraq Fiber Optic Distribution Frame Factory



Overview

Based in Sulaymaniyah, Iraq, iQ Group launched the ambitious project in 2010 to build a fiber optic infrastructure spread over 3,000 kilometers across Iraq. Smart-Tech is a value-added distributor of network infrastructure and industrial-grade fiber-optic communications solutions. We are an Iraq-specific subsidiary of Smart Tech Global, and. The Fiber Optic Cable Project is centered on establishing a specialized industrial facility spanning 4,200 square meters, dedicated to the manufacturing of high-quality fiber optic cables used in telecommunications and internet services. Its strategy relies on understanding the needs of its customers and aims to obtain the largest market share in the Basra and Wasit provinces due to its. BWNFiber Quick ODN is a pre-terminated FTTH architecture adapted to Iraq: dense districts in Baghdad and Basra, new housing areas in Erbil and Mosul, industrial zones and rebuilding projects. Fiber Optic Cables: Designed for speed and precision, our fiber solutions support the increasing demand for high-bandwidth networks, ensuring fast data transfer with minimal loss.
