Monaco Secondary Distribution Box Customization Company

Overview

CEDAP (Compagnie Européenne Des Applications Plastiques), is a division of SIAMP-CEDAP, and was founded in 1960 in the Principality of Monaco's port district. Whether you're a local business or an international brand seeking that Monte Carlo flair, you'll find agencies ready to bring your vision to life. Use Sortlist to post your project requirements, and let Monaco's top packaging design talent reach out with bespoke proposals tailored to your unique. With more than 27 years' experience, our expertise in supply chain optimisation is a key factor in our success. Our qualified team uses best practices and trends to offer you solutions innovative. Offering extremely high standards in all areas of service provided by the company: pre-press operations, offset and UV printing, laminating, hot-foil stamping, embossing. Starting a distribution business involves a substantial initial investment as well as continuous expenses for inventory, logistics, and operational costs. SMP positions itself to subcontract small & medium runs and tailor-made productions for: The finished product will.
