

Huijue High and Low Voltage Complete Equipment Factory

Overview

Established in 2002, we specialize in site energy solutions, the manufacturing of telecommunications equipment, and the intelligent integrated manufacturing of energy storage systems. • 6 wholly-owned subsidiaries • Thousands of employees worldwide • Pack battery production. Founded in 2002, Huijue Group is a high-tech service provider integrating intelligent energy storage equipment and computer intelligent network communication system integration and application. Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and. Shanghai Huijue Network Communication Equipment Co. The company is dedicated to becoming a leader in the. The All-in-One Energy Storage System by Huijue Group seamlessly integrates a solar inverter and a lithium battery, delivering an efficient and reliable new energy solution. The hybrid solar inverter converts solar energy into electricity for direct home use, with any excess power fed back into the. What are you looking for?
